## Religious News

As a school, may we offer our congratulations to Reverend Sandra on being made an honorary Canon of Wakefield Cathedral. We look forward to hearing all about your inauguration in February. On Monday, Mr Holmes led Collective Worship on The Baptism of Our Lord and explored the different symbolism of the story and how it was different to some of our own experiences. On Tuesday, the topic of Respect, which is our Christian Value for this halfterm, was introduced and explored as to what the children felt it meant and what different ways should we show respect. We will continue to explore this over the next few weeks. Education Sunday will be celebrated with a special service at St John's Church at 10am on Sunday 27<sup>th</sup> January and all are welcome. Please can the children in the choir return their slips as soon as possible to Mrs Armstrong if they are able to attend. Following the service, everyone is invited to the Church Hall to share in an early lunch.

### **FAIRTRADE AMBASSADORS**

We were delighted to welcome Simon Sloan, our RE Advisor, and Debbie Davies, local Councillor to school yesterday to meet with members of the Fairtrade Council, Mr Holmes and Miss Brace. Simon is currently visiting schools in the diocese to research how some of the schools are promoting 'courageous advocacy' in their work. This is a new addition to the SIAMS schedule which was introduced in September 2018 and looks at how well the school's Christian vision inspires the whole school community to engage in social action and to be courageous advocates for change in their local, national and global communities. During the visit, Alex, Ava, Kieron, Isabel, Oliver and Macie explained the rationale for the work which the school has undertaken in recent years linked to Fairtrade and the actions undertaken. Simon, who is a retired Headteacher, was extremely impressed with the knowledge of the children and how articulate, informed and passionate they were about the cause and commented how he had never met children who were as confident about a cause as our children. Thank you to the children for their enthusiasm and for being such wonderful ambassadors!

A copy of the Early Years Maths Presentation can be found by following a link on the front of the website.

One of our neighbours has requested that we ask drivers to turn off their engines when they are parked outside so as to protect the environment.

### SCHOOL IMPROVEMENT UPDATES

Those of you who have been in school this week will have noticed that the new equipment in the Adventure Playground was installed this week. We still have a contractor on site clearing out the back of the area which is proving a lot more difficult than expected due to the depth of the installation, but we hope that this will be finished early next week. We are grateful to Manningham Concrete for providing 10 free railway sleepers to be incorporated into the area once cleared. Mr Hiley, who is co-ordinating the playground, is still looking for more competitive quotes for artificial grass for the area so, if anyone has contacts in this area, please can you drop into the office to talk to Mr Hiley. At the PTFA meeting on Tuesday, it was suggested that we have an official 'ribbon cutting event' to open the area once ready so we will try and organise a date for this as soon as possible.

We are also still pursuing the refurbishment and redecoration plans for other areas of school including decorating the hall and looking to re-carpet Nursery and Reception and install some sheds in the Foundation Playground. If any parents have contacts with companies and suppliers of paint, sheds, carpet or curtains, we would be really interested in offering opportunities to quote for these. Please see Mr Hiley if you require further information.

We are also working with a web designer on our new website which should be live before the end of term.

### BOOK RECOMMENDATIONS

3W- *'We have found this very tricky, we are working our way through the Roald Dahl collection and are struggling to pick our favourite, therefore we would like to recommend any Roald Dahl text. We enjoy reading Roald Dahl books because they are funny, interesting and well written. We all agree that the way he writes transports you, so you feel that you are right there with the characters.'*

RPy would like to recommend '365 Penguins' by Jean-Luc Fromental.

*'Because they get lots of penguins - Noah*

*They get too many - Harvey*

*There are just sooooo many - Jonah*

*They have that little blue feet penguin - Chilly! - Freddie'*
