

## Religious News

It was wonderful to see the support this morning at both of our Services, which were fantastic celebrations in prose and song of the events of the First Christmas. Many thanks for your support. Our Education Sunday Service will be held in St John's Church at 10am on Sunday, 27<sup>th</sup> January and we hope that you will be able to join us for this annual service.

On our return to school, all classes will be studying Other Faiths in their RE lessons and our Christian Value will be Respect. May we wish you all a very happy and Holy Christmas.

*Fear not, for behold, I bring your good news of great joy that will be for all the people. For unto you is born this day in the city of David a Savior, who is Christ the Lord. Luke 2*

### *If You Look For Me At Christmas*

*If you look for me at Christmas,  
You won't need a special star.  
I'm no longer just in Bethlehem,  
I'm right there where you are.  
You may not be aware of Me,  
Amid the celebrations.  
You'll have to look beyond the stores,  
And all the decorations.  
But if you take a moment,  
From your list of things to do,  
And listen to your heart, you'll find  
I'm waiting there for you.  
You're the one I want to be with,  
You're the reason that I came.  
And you'll find Me in the stillness,  
As I'm whispering your name.*

### **MUSIC CONCERTS**

Once more, yesterday, it was a real privilege to be present at the two Music Concerts, which showcased the huge amount and depth of musical talent that we have in school. In all, approximately 150 children took part in this musical extravaganza, which included performances by Strings, Brass, Ukele, Guitar, Rock Solid, Orchestra, Keyboard, Drumming as well as solos, duets and both our choirs! One grandparent commented to me that he had been coming to concerts for 41 years and he thought last night was the best – high praise indeed! Thank you to the staff, both external and internal, for making this event such a success with special mention of Mrs Armstrong who spearheaded the whole event.

In both the LKS2 and UKS2 competition, Miss Melvin needed to introduce the tie break spelling before crowning Ashley and Iosac as winners- well done both of you!

### TT ROCK STARS

At the beginning of the year, Mr Holliday introduced TT Rockstars to KS2 children. This is an online tables programme where children can practise their tables and try to improve their own performance. Staff also run TT Rockstar clubs at lunchtime for children who wish to practise. As you know, tables are a key component in the development of maths knowledge and, especially for Year 3, who will be the first Year Group to have a Sats Type Tables Test in Year 4. This programme is a useful and fun way to practise maths. Mr Holliday has set up the programme as a Battle of the Year Groups for the school holidays with the winning class earning a treat in the week of 7<sup>th</sup> January. Please can we encourage you to promote this in the holidays if your children are looking for something to do!
