## Religious News

As we draw near to the end of the year, classes have been reflecting on this year and reasons why they should be thankful. These ideas are being assembled on our Collective Worship display board in preparation for our services next week when we will give thanks for 2019-2020.

We were delighted to receive official thanks from the Diocese for the contribution of our children last week:

*Your pupils were awesome! Their confident articulation of what makes their school distinctive was also inspirational to hear!*

Next week, we will gather in St John's for a special leaver's service for our Year 6 on Wednesday at 6.15pm to give thanks for their time in school and to wish them all the best in their new schools.

On Friday, we will gather in the hall at 9.15am with EYFS and KS1 children to give thanks for the year. Following this, we will be at Church with KS2 to give thanks for the year at 10.15am.

Parents are warmly invited to join us for these services.

### TRANSITION ARRANGEMENTS

We will be having our Transition Day on **Wednesday** where all children will spend the morning in their new classrooms with their new teachers. If your child attends morning or afternoon Nursery and is moving into Reception, please could your child line up in the Reception yard at 8.45. Children are to be collected from Reception door **between 11.30am and 11.45am**.

If your child is currently in Reception or Year 1, please could they assemble in the KS1 playground and they will line up before going straight into their new classroom with their new teacher.

If your child is currently in Years 2, 3, 4 or 5, please could they assemble in the KS2 playground and they will line up before going straight into their new classroom with their new teacher.

Toast will be available as usual for children in KS2, so Year 2 children are reminded to bring money if they wish to avail of this. If your child is currently in Year 6, please can they come to school as normal and line up in the yard where Mr Holliday will collect them. Children will return to their own classes for the afternoon and should be collected from their normal playground.

### STAFFING UPDATE

Next week we will say goodbye to Mrs Ransom who has worked in Baildon for 20 years and also to Mrs Hornby who has worked here for 7 years. Both of these ladies are taking a well- earned break from the world of employment and we hope that they enjoy their leisure...however, reports from staff who retired last year are that life gets even busier when you give up work- so, be prepared!

**YEAR 6 PRODUCTION** The production on Monday 8<sup>th</sup> July truly lived up to expectations and audiences were wowed at both performances by the very talented cast from Year 6. In the production, ‘Pretty Smiling People’, which was written by Mrs Adams, the children relived some of the memorable events from their days at Baildon. This was a very personal account and supported by a range of photos which had been provided by school and home. The singing, dancing and acting were incredible and we hope that the children will continue to remember with fondness some of the many events which have made their time here very special. Congratulations to Mrs Adams on the production and thanks also to the staff from Year 6 who supported her.
