

AUTUMN HT1 COLLECTIVE WORSHIP PLANNING

In our school, we celebrate being part of God's family where all respect themselves, others and the world around them. Our vision is to develop a safe, caring community of inspired, resilient lifelong learners with a spirit of curiosity, enabling them to flourish in an ever changing world.

The Lord says for I know the plans I have for you...plans to give you hope and a future.

Christian value - Love and Compassion

This is the detailed half termly plan for Collective Worship. The theme for the half term is Growing together – sharing our gifts, celebrating our differences and living well together, showing love and compassion to others.

Themes are linked with the Christian calendar and are depicted by colours; each season has a colour and this will change with the pattern of Worship as shown below:

Colour	Season Mood	When used
White	Joy and Rejoice	Christmas, Easter, Epiphany, Ascension, All Saints
Purple	Thinking deeply and waiting	Advent Lent
Green	A time to grow	Ordinary days (not celebrations)
Red	Sad times and certain Joyful times	Ordinary days (not celebrations)

Each week will run as follows:

Monday – Normally MC and linked to the Liturgical Year/Theme being developed

Tuesday – Normally MC or MHo and linked to the Christian Value or Stories with a theme/message

Wednesday – Songs of Praise

Thursday – Visitors/Services or other members of staff and linked to Biblical Stories

Friday - Thanksgiving and Celebration

Each Collective worship session will follow a similar format which is outlined below:

- Any notices
- Classes to assemble and place their heart on the altar table
- **Welcome** – the collective worship is started with the opening of the Bible and lighting of the candles. We open the Bible *to think about God the father* We look at the cross *to think about God's Son Jesus* We light the candle *to think about the Holy Spirit*
The root or theme of the worship is shared. This might be a Bible story or passage for example.
- **Learning**- there will be a stimulus to learn from which may be a story, drama, video clip, poem, picture or object.
- **Reflecting**- giving everyone the opportunity to consider how the stimulus has resonated with them or how it challenges them. This may include searching questions, meditation or a few moments of silence.
- **Prayer**-
- **Responding**- everyone is asked to consider how they might act as a result of today's worship. How might God be challenging them to make a difference in our school community or in the wider world? A specific challenge or task may be given or those present may be asked to consider for themselves what they might do now as a result of what they have heard.
- **Dismissal**- classes collect their hearts and leave the hall- if additional items are to be distributed as part of the challenge, this is when this will happen.

Baildon Church of England School Collective Worship Calendar 2019-2020
