

Welcome to Baildon Primary School Reception

Meet Baildon Bear!

Hello! I am Baildon Bear and I live in Reception.

I hope you are looking forward to starting at Baildon Church of England Primary School in September 2020.

I am going to show you around your new school.

There are lots of friendly people who work in Reception. Here are some of them.

Miss Perry

Mrs McCaul

Mrs Morgan

**First thing in the morning the teachers
open the doors and it is time to come in.**

Everyone has their own peg to hang their bag and coat on. Each peg is a different colour. I wonder which colour peg you will have?

Every day we learn about reading, writing and counting. Look, I have written numbers on our magic computer! Do you know what number comes next?

1 2 3 4 5

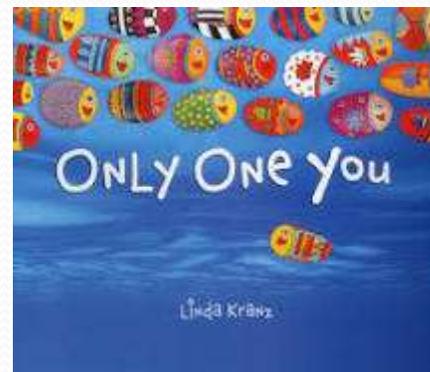

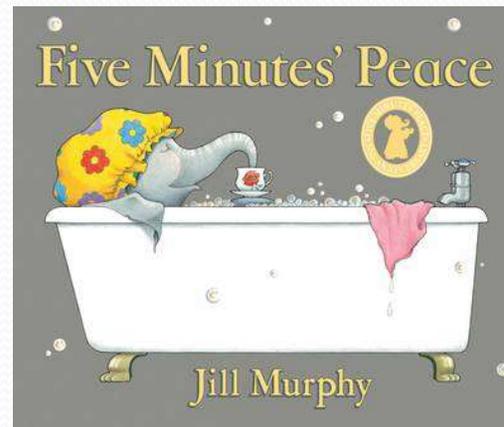

6 7 ... ?

We learn by playing too and have wonderful things to help us. What are you doing up there, Baidon?

We love stories at Baildon and we read books every day. Which is your favourite?

I hope you like drawing, painting and making things because we do this all the time in school.

Every day we have a fruit snack and some of us have milk. Remember to bring your own bottle of water in every day! Water is my favourite drink.

Toilets...

- Don't forget to wash your hands...

Outdoors!

**Where will
you play?**

P.E.

Once a week we put our PE kits on and have fun in the gym. We use different equipment but I like climbing the best. Every other half term, we do yoga!

Lunchtime

At lunchtime there is always lots of lovely food to eat in the hall.

After lunch we play in the KS1 playground with children from Year 1 and Year 2. Sometimes we can go on the trim trail and there are always toys out as well.

There is nothing to be worried about at Baildon Primary School, just lots of lovely people waiting to help you learn. The grown-ups and I are really looking forward to learning more about you soon.

Bye for now,
Love from Baildon Bear xxx
