June 2020

Welcome to Nursery

We hope you are well and we are really looking forward to welcoming you back into school. As of Monday 8th June, school will begin for you at 9:00am and finish for you at 3:15pm. It will finish at 12.15 on Friday. You will need to enter and exit the school site via the main school gates pictured below

Please follow the footsteps with your parent into the Nursery playground where a staff member will be at Nursery middle door.

Parents are asked to use the One way system in KS1 gate, through Reception gate and out Nursery path close to the building and return by the wall to reach the Nursery path.

You will be entering school through the door of Nursery classroom pictured below.

Whilst many of you have not been in school during lockdown, the classrooms you will be working in will look slightly different to the ones you left. This is because we need to social distance. We will talk more about this when you return to school. Please see a picture below of the classrooms you will be working in.
