

## Baildon Church of England Primary School

Dear Parent/Guardian

Re: Year 3 and 4 Virtual choir

As you may be aware, due to the Covid restrictions, we are currently unable to run our choirs in school. Many children are missing the chance to sing and be part of a musical ensemble.

Following the launch of our virtual choir in Years 5 and 6, I would now like to start a virtual choir in Years 3 and 4, with the hope that we will be able to make our first recording in time for a virtual Christmas performance. I will run this by sending out videos and resources via the VLE for children to practise songs at home, and then later in the term, I will then send out clear instructions when we are ready to make a recording, which children will be able to do at home, simply using a smart phone or tablet and some headphones.

If your child would like to be involved, they will need to commit to checking the VLE each week to access the videos and any other resources I post, in order to learn the songs. If he/she would like to take part in the choir, but does not have online access to the VLE, please do contact me via the office, and I will arrange alternative access.

If your child would like to take part, please fill in the reply slip below and send it back to school by Friday 23rd October, and I will then send out notification by email when the first resources are ready to access online.

I'm looking forward to hearing the children sing once again, even if only remotely at first!

Many thanks for your support in this.

Yours Sincerely

Mrs B Armstrong  
Music Teacher
