

Baildon Church of England Primary School

5th November 2020

Dear Parents/Carers

Following a request from some of our parents, we are writing to remind you of the ways in which you can access our Virtual Learning Environment (VLE) and our payment system for parents (School Money).

VLE

To access the VLE, please log on to:

<https://churchschool.home.schooljotter2com/>

Each child has a unique username and password. In Nursery, these can be found in the front of your child's 'red book', in Reception, these can be found at the back of your child's 'purple book'. Children in Year 1 – 6 should already have their username and password, but should you need a reminder, please do not hesitate to contact the school office.

School Payment System

Online payments and permissions for school events can be made through www.schoolmoney.co.uk. In order to log into your child's account, you will need to enter the email address and mobile telephone number for the adult who is registered with school as 'Priority 1' for contact.

The office team have circulated passwords to all parents and carers, but should you need a reminder, please do not hesitate to contact them.

Yours sincerely,

Mrs K Savage
Headteacher
