

**The Local Offer /Summary of Provision
for children and young people with special educational needs or disabilities (SEND)**

Baildon Church of England Primary School and Nursery

In our school, we celebrate being part of God's family where all respect themselves, others and the world around them. Our vision is to develop a safe, caring community of inspired, resilient lifelong learners with a spirit of curiosity, enabling them to flourish in an ever changing world.

We are a fully inclusive school that aims to ensure all pupils achieve their potential, personally, socially, emotionally and academically in all areas of the curriculum, regardless of gender, ethnicity, religion, sexual identity, physical ability or educational needs.

The Children and Families Act 2014 section 20 defines when a child has special educational needs (SEND). This is when they have a learning difficulty or disability and they need special educational provision (SEP) to be made for them. SEP is defined as any education or training provision which is additional to or different from that generally made for others of the same age.

When a potential special educational need has been identified, a graduated approach will be used. This involves assessing, planning, implementing and reviewing the approach taken with the child, which can become increasingly personalised. This cyclical process, as we build a deeper understanding of the child's needs, enables school to continually reflect upon the approach taken.

The graduated approach based on the [Bradford's Matrix of Need](#) is used to inform the provision in place for each child identified as having special educational needs. This is based on a structure which takes account of the following areas of need: Autistic Spectrum Condition, Speech, Language and Communication needs, Moderate learning needs, Specific learning needs, Behavioural, social, emotional and mental health needs, hearing impairments, visual impairment, multisensory impairment and physical, medical and sensory difficulties.

At Baildon CE Primary School our offer for SEND support for each area of SEND, can be accessed through the above hyperlink to Bradford Local Authority's guidance. If a child falls into EHCP or above, they will have an Education, Health and Care Plan. The support provided in school will therefore follow the detailed provision in the plan.

What is Bradford's Matrix of Need?

Bradford Council has identified a graduated approach for pupils with SEND. Within a mainstream school it is expected that provision will be made for pupils within SEND support).
