

## Baildon Church of England Primary School

13th October 2022

Dear Parent/Carer,

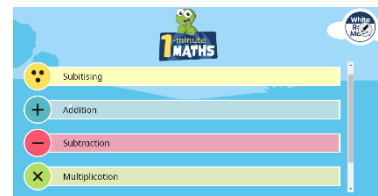

I would like to share with you a variety of useful maths resources that can be used to engage your child with maths whilst developing their knowledge in an enjoyable manner.

### **Foundation Stage and Key Stage One**

#### One Minute Maths

This provides a fun and quick-fire opportunity to boost confidence, accuracy and understanding. It is available as a website and can be downloaded as an app.

[whiterosemaths.com/digital-tools](https://whiterosemaths.com/digital-tools) Three Word Passcode = ope-ova-tip

The code changes every few weeks and we will update it on the school newsletter.

### **Key Stage One**

#### **Numbots**

NumBots is all about every child achieving the "triple win" of understanding, recall and fluency in mental addition and subtraction, so that they move from counting to calculating. Pupils create their own avatar and the tasks become increasingly challenging as they progress and earn points. All pupils have been given their unique login codes and can access it either using the website, or as an app.

*'Those who hope in the Lord will renew their strength and they will soar on wings like eagles.'*

**Coverdale Way, Baildon, Shipley, West Yorkshire BD17 6TE**

Telephone: 01274 598540 • Fax: 01274 530018 • Website: [www.baildonce.co.uk](http://www.baildonce.co.uk) • Email: [office@baildonce.co.uk](mailto:office@baildonce.co.uk)  
Headteacher: Mrs Kathryn Savage

## Key Stage Two

### TT – Rockstars

<https://ttrockstars.com/>

This can be played online or downloaded as an app and is a fantastic resource for developing recall of timetable facts- a skill that lies at the heart of mathematics.

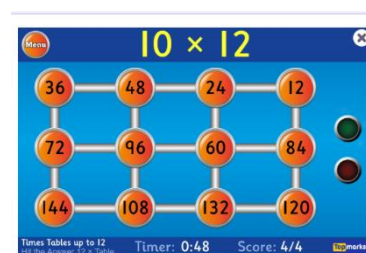

### All ages

### Hit the button

A free game that allows pupils to develop their times tables, numberbonds, inverse division facts, doubles, halves and square numbers.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

### Maths Frame

We have a whole-school login for this website. It has games and activities linked to all aspects of the Maths curriculum and linked to each year group's Curricular Targets. We have found that pupils are often motivated to use this resource as a means of filling their own gaps in their knowledge, but also because they enjoy the reward of playing the games linking to the questions.

#### Categories

Login = baidonce password = maths123

### Further support

For advice on supporting your child with online safety as well as promoting a healthy amount of time using electronic devices, please visit our school online safety section or contact the school office.
