Trust Policy Statement

Bradford Diocesan Academies Trust (BDAT) regards the excellent attendance of children as integral to the success of the pupils and thus the success of their academies. For the purpose of this policy, the term Trust refers to BDAT. The Trust is committed to ensuring that pupils and parents/carers understand the absolute importance of full attendance at our schools.

As part of our focus on diversity and inclusion, BDAT pledges that our policies will seek to promote equality, fairness, and respect for all staff and pupils. Our policies reflect the BDAT values of inclusion, compassion, aspiration, resilience, and excellence. By working closely with a range of stakeholders, such as our school, union, and HR colleagues, we have ensured that BDAT's policies do not unlawfully discriminate against anybody.

Aims of the Policy

This policy is intended to outline the expectations, procedures and key staff in relation to attendance as well as the strategy and support in place to ensure pupils maximise their attendance at school.

We envisage that this policy will act as a 'user manual' for pupils, families and staff when it comes to attendance at school and will keep it under annual review. We will use our stakeholder voice mechanisms in order to ensure that feedback around this policy is taken on board when the policy is reviewed.

This policy will be published on the Baildon Church of England Primary School website and will be recirculated to parents at the start of each academic year, as well as when it is updated at any other point.

Introduction

At Baildon Church of England Primary School, our priorities are that our pupils are safe, healthy and successful, all of which are helped by attending school regularly. We believe that working in partnership with families is the best way to maximise attendance at school in order to achieve these priorities. Our aim is for Baildon Church of England Primary School to be a calm, orderly, safe and supportive environment where all pupils want to be and are keen and ready to learn.

We know that regular attendance at school is vitally important in helping pupils to reach their academic potential, to help them grow socially and emotionally and to develop a range of life skills which will support them as they transition to secondary school.

Research clearly demonstrates the link between regular school attendance and educational progress and achievement. Children who frequently miss school can often fall behind which means they may not grasp key concepts that support their learning as they move through Primary education.

When it comes to school attendance, it is easy to think that 90% attendance is at a positive level but the reality is that this is equivalent to one day off school per fortnight or 95 hours of learning missed across a year. Children who have less than 90% attendance are regarded as 'persistent absentees' from school by government standards.

It is our expectation that our pupils should only miss school when it is absolutely necessary and should aim for a minimum of 97% attendance over the course of each year. We will consistently work towards a goal of 100% attendance for all children.

Strong school attendance for every child is in everyone's best interests and it is the responsibility of us all. We are determined to work together with pupils and their families to make this happen.

How Parents can Support their Child's Attendance at School

This section of the policy provides advice and guidance to parents as to how they can support their children in ensuring excellent attendance at school.

Excellent attendance at school is the part of their child's education that parents have the most impact upon. This is why [Parental Responsibility Measures](#) are clear that it is a parent's responsibility to ensure their child attends school regularly. Section 444 of the 1996 Education Act also states that:

"If a child of compulsory school age who is a registered pupil at a school fails to attend regularly at the school, their parent is guilty of an offence".

The following are some ways in which parents can support their child's attendance:

- Be aware of their legal responsibilities in ensuring their child attends school regularly
- Ensure that their child arrives to school punctually every day
- Reinforce to their children the importance of education and how attending regularly leads to higher achievement
- Contact school in a timely manner (before 8:45am) in the event that their child is going to be absent that day
- Ensure that any medical appointments are booked outside of school hours wherever possible
- Ensure that any leave of absence request is only made in the most exceptional of circumstances
- Support their child's attendance (and therefore achievement) by not taking holidays during term time
- Notify school immediately if there are any changes to details of named contacts for their child
- Work in partnership with school staff when there are concerns about their child's attendance

Daily Attendance Routines

This section of the policy outlines how the school day operates in practice.

The timings of the school day are outlined below:

Period	Time
Registration	8:45 – 9:00
Collective Worship	9:00-9:15
P1	9:15-10:15
Break	10:15 -10:30
P2	10:30 – 11:30
P3	11:30 – 12:00
Lunch	12:00 – 13:00
Registration	13:00-13:15
P4	13:15 – 14:15
Break for KS1	14:15- 14:30
P5	14:15 – 15:15

Baildon Church of England Primary School is open to pupils from 8:45am and they will be welcomed by staff on the gate/door/playground to support them in being ready for the day.

Before the day begins, pupils will be supervised by parents/carers in the school playground. Other areas of school will be out of bounds during this time as they are not supervised.

We expect all pupils to be in school by 8:55am at the latest. This will enable their school day to begin in a calm and positive manner rather than having to rush.

The school day begins with registration in class where the official morning register is taken between 8:45am and 8:55am so it is vital that all pupils are punctual.

Class teachers are a key member of staff for every pupil and parents, as they may be the only member of staff who sees the pupil every day. Registration is a key part of the day as the following occur during this time:

- Key information and messages are communicated to pupils around items such as room changes, school reports, trips etc.
- Pupils are supported with addressing any uniform or equipment issues to ensure that they are prepared for the school day.
- Planners are checked and monitored for communication between home and school.
- The achievements of pupils linked to the school values are celebrated.
- Topics linked to the Personal, Social, Health and Economic curriculum are taught, helping pupils to learn about issues such as how to manage their mental health, drugs/alcohol and relationships.

The official morning register closes at 8:55am. Pupils arriving after 8:55am will be given a late register code (the 'L' mark). This does count as a present mark towards their attendance as they have arrived before the official closing time of the morning register.

If pupils need support with their punctuality, we would encourage them or their parents to get in contact with an appropriate member of staff in school (see Key Staff section).

The official afternoon register is taken between 1:00pm and 1:15pm.

Daily Absence Procedures

This section of the policy outlines the procedures that parents should follow to report their child absent from school and the systems in place within school to follow this up.

For safeguarding reasons, it is vital that school and families work in partnership so that we know why each child is absent from school on any given occasion.

When their child is unable to attend school for whatever reason, parents should inform us at the earliest opportunity, and certainly by 8:45am, by either:

- Phone call to the Baildon Church of England Primary School here absence line (01274 598540). This is manned by the admin team and has the facility to leave a message if the phone is busy.
- Email to office@baildonce.co.uk

It is important that parents are specific in the reasons that their child is absent from school (e.g. 'vomiting' or 'fever' rather than 'unwell' or 'a bit under the weather') as this enables us to track patterns of absence more effectively with individuals and particular groups of pupils, therefore enabling more effective support (see section on Tracking and Monitoring of Attendance Data).

This information will be processed by the admin team so that registers are accurately recorded for the day for any child who is absent from school (see section on Attendance Register Codes for more details).

After the official morning registers have been taken, we will add any late arrivals to these so we have an accurate picture of which pupils are present in school.

This will enable us to quickly identify any pupils who are not in school and whose parents have not informed us of the reason why. From here, the following actions will be taken in order to find out the reason why and ensure the safety of the child:

- Text message sent to priority parent/carer contacts on school system requesting a response. We endeavour to send this within an hour of the school day starting aside from in exceptional circumstances which may impact this (e.g. significant travel disruption).
- If no response is received, we will make phone calls to priority contacts on the school system throughout the morning.
- If still no response is received, we will send a further text message and/or email to all contacts on the school system at lunchtime and will make further phone calls in the afternoon.
- Where necessary, we may also conduct home visits and engage with external agencies such as the Police and Children's Social Care if we are concerned that a child is at risk.
- Where a pupil is absent from school for ten consecutive days and no reason has been provided, this will result in a referral to Bradford Education Welfare for further support as they could be deemed as a Child Missing in Education according to local authority procedures.

If parents/carers cannot be contacted, staff will attempt to contact other emergency contacts held on the school system to inform them and request their support.

Pupils are not allowed to leave the school site during the day. On the rare occasions when this may be necessary (e.g. they have become severely unwell at school or have an emergency appointment), the following will apply:

- Whenever possible, parents should try to arrange medical and other appointments outside of school time. Only urgent appointments should be attended during the school day and pupils should return to school after them.
- Pupils must be signed out at reception on leaving school and signed back in on their return.
- Where a pupil is being collected from school, parents should report to reception before the pupil is permitted to leave the site.

These measures are taken in order to promote the safety and welfare of our pupils. It is vital that we have at least two contacts on the school system for every pupil so that we are able to do this effectively. Please email office@baildonce.co.uk if you would like to add any additional contacts for your child.

We appreciate the support of parents in informing us in a timely manner of any absences of their children so that we can ensure that all of our pupils are safe.

Leave of Absence Requests

This section of the policy details the procedure in relation to leave of absence requests which will only be authorised in the most exceptional of circumstances.

The Baildon Church of England Primary School term times and school holiday dates are published a year in advance and are published on the academy website in the 'Parents and Pupils' area of the school website.

Training days are published as soon as we have agreed them but may be subject to change. Any changes will be communicated to parents at the earliest opportunity.

From 1 September 2013, a change to government laws means that schools are no longer allowed to authorise requests for pupils to be taken out of school for a holiday during term time. In line with the government's amendments to the 2006 regulations, holidays during term time will NOT be authorised unless in exceptional circumstances.

Only exceptional circumstances warrant an authorised leave of absence from school. Some examples may include compassionate leave, a religious observance or sporting/musical competitions.

Parents/carers should make any such request at least three weeks in advance and in writing by completing the form in Appendix One and returning to the main school office.

All requests are considered individually, taking into account the circumstances of the request. Other factors will be taken into account including:

- The time of year the pupil will be absent (e.g. a Year 6 pupil missing SATs would be extremely detrimental to them)
- The previous attendance record of the pupil
- The number of previous requests for leave of absence

Parents will be notified of a decision by telephone. Where a parental request has been refused, and parents continue to take their child out of school, this absence will be recorded as unauthorised.

We reserve the right to apply to the Local Authority to issue a Penalty Notice Fine under Section 444 of the Education Act 1996 where a child has ten or more sessions of unauthorised absence during a term.

Please note that from April 2023, in order to tackle unauthorised leave, Bradford Local Authority may consider legal action through the magistrates court rather than issuing a penalty notice. This is because Bradford has double the rate of absences due to unauthorised leave when compared to the national average. Further information can be found here:

<https://bso.bradford.gov.uk/content/education-safeguarding/attendance/penalty-notices>

Attendance Register Codes

This section of the policy outlines the attendance codes that are used on the register. This is not a complete list and further information can be found in the 'DFE School Attendance Guidance' which is linked in the 'Links with Guidance and Other Policies' section.

The attendance register is a compulsory legal document which must be accurately recorded by schools using these attendance codes.

Present Codes

These are used when a pupil is present in school or is at an approved off-site educational activity. They include:

- / = Morning present mark
- \ = Afternoon present mark
- L = Arrived late but before register closed
- B = Present at an approved off-site educational activity (e.g. at alternative provision)
- D = Dual-registered and expected to attend their other provision
- J = Attending an interview (e.g. a Y11 student at a Post-16 college)
- P = Approved sporting activity (e.g. a pupil who plays for the academy of a professional football club)
- V = Educational visit (e.g. where pupils are out on a school trip)

Authorised Absence Codes

These are used when a pupil is absent from school but we have authorised the absence. These marks count negatively against a pupil's attendance but do not count against parents when considerations are made around any legal proceedings. They include:

- I = Absent due to illness (please note that in line with Bradford Local Authority guidance, medical evidence may be required to authorise this type of absence if a pupil's attendance is less than 90%)
- M = Absent due to medical appointment (please try to make these outside of school hours wherever possible)
- C = Other authorised absence (e.g. to attend a funeral)
- E = Absent due to being issued with a suspension from school
- R = Absent due to religious observance

Unauthorised Absence Codes

These are used when a pupil is absent from school but we have not authorised the absence. These marks count negatively against a pupil's attendance and may inform any legal proceedings against parents (see section on Legal Proceedings for more details). They include:

- N = Absent without a reason being provided. As detailed above, we will make all efforts to contact parents to find out why their child is absent. If we are unable to do so, 'N' marks will be changed to 'O' marks (see below) after five working days.
- O = Absent from school without authorisation. Some examples that would fall into this category include:
 - No reason being provided for an absence
 - Oversleeping/missing the bus
 - School uniform not clean
 - Birthday treats
- G = Absent due to holiday in term time
- U = Arrival after the closing time of the official morning register.

Monitoring and Tracking of Attendance Data

This section of the policy details how we track, monitor, share and analyse attendance data for individual pupils and cohorts of pupils.

In order for all stakeholders (pupils, parents, staff, governors and external agencies) to work in partnership to ensure excellent attendance for pupils at Baildon Church of England Primary School, it is important that we track the attendance of pupils and share this information.

This will be done by the following means:

- Individual pupil attendance data will be shared on a weekly basis with class teachers who will then share it with their class.
- Parents will also be informed about attendance in relation to their child individually and the school more widely through the school website.
- Attendance data by class will be shared with pupils in assembly on a weekly basis. This will feed into competitions (see Rewards and Incentives section).
- Attendance data of different cohorts will be shared with the Senior Leadership Team on a weekly basis. Examples of cohorts include year groups, boys and girls, pupils with Special Educational Needs or Disabilities and pupils eligible for free school meals. This will then enable leaders to plan specific intervention to support any cohorts whose attendance is below expected.
- Attendance data will be shared with Governors on a half-termly basis so they can fulfil their responsibilities in supporting and challenging senior leaders in relation to the attendance strategy and the impact it is having.
- Attendance data will be shared with the Local Authority School Attendance Support Team on a termly basis. They will then provide support, advice, and guidance to school on how to make further improvements.
- We will consider local, regional, and national data to help give us context as to the attendance of students at Baildon Church of England Primary School.
- Where attendance interventions are implemented with pupils to help them improve their school attendance, we will use data to monitor the impact and assess the efficacy of the intervention.

This list may not include everything, but it is intended to ensure that attendance remains at the front of everyone's minds so that we can work together in partnership to secure excellent attendance for all pupils.

Whole School Attendance Strategy

This section of the policy outlines the overall strategy in relation to supporting pupils to maintain excellent school attendance.

Our strategy is based on a tier model in line with best practice as recommended by the Department for Education, with the level of support dependent upon the level of attendance of the pupil.

Pupils whose attendance is below 90% are regarded as 'Persistently Absent Pupils' by the government and pupils whose attendance is below 50% are regarded as 'Severely Absent Pupils'.

The framework below shows the different tiers of the attendance model and the impact this has on their overall attendance.

Attendance Tier	Impact on Student
Tier 1 100%	Pupils in Tier 1 do not miss any days of school per year, and they access all learning opportunities available to them. They have the strongest chance of fulfilling their potential.
Tier 2 97-99%	Pupils in Tier 2 miss up to 7 days of school per year which is up to 35 hours of learning. They access the majority of learning opportunities available to them and have a strong chance of fulfilling their potential.
Tier 3 95%-97%	Pupils in Tier 3 miss up to 10 days of school per year which is around 50 hours of learning. They are at risk of underachievement as a result.
Tier 4 90%-95%	Pupils in Tier 4 miss up to 19 days of school per year. This is approximately 95 hours of learning. They are deemed to be pupils who are at risk of persistent absenteeism and are at high risk of underachievement.
Tier 5 88%-90%	Pupils in Tier 5 miss up to 23 days of school per year. This is approximately 110 hours of learning. They are classed as Persistently Absent pupils by the government and are at severe risk of underachievement.
Tier 6 50%-88%	Pupils in Tier 6 miss between 23 and 95 days of school per year. This is between one and three entire half-terms or 115-475 hours of learning. They are classed as Persistently Absent pupils by the government and are at extreme risk of underachievement.
Tier 7 Below 50%	Pupils in Tier 7 miss over 95 days of school per year. This is over 475 hours of learning. They are deemed to be Severely Absent pupils by the government and are at critical risk of underachievement.

Punctuality

This section of the policy outlines the expectations of pupils in relation to their punctuality to school and throughout the school day.

Good punctuality on a morning is crucial. Lateness to a lesson causes disruption to that individual's learning and to that of the other pupils in the class as it leaves teachers having to repeat instructions and breaks the flow of a lesson.

We expect all pupils to be on school site by 8:45am at the latest so that they have time to organise themselves and get to class by 8:55am when the school day begins and the morning register is taken. This will enable their school day to begin in a calm and positive manner rather than having to rush.

Pupils with Medical Conditions, SEND and Social Workers

This section of the policy outlines the considerations that will be made for pupils with medical needs, Special Educational Needs or Disabilities and other vulnerabilities.

At Baildon Church of England Primary School we hold the same level of aspiration and high expectations for all of our pupils. We recognise, however, that some pupils may have additional needs or vulnerabilities that impact upon their attendance at school.

For example, some pupils may have diagnosed medical conditions which require them to attend regular hospital appointments during school hours, or complex situations at home with which Children's Social Care are supporting.

In these circumstances, we will work together with families and other professionals involved to ensure that any necessary reasonable adjustments to this policy are made. This could include referral to the [Bradford Medical Needs and Hospital Education Service](#) who are the local authority team responsible for providing education to children who are unable to attend school due to medical needs.

Formalising Support

This section of the policy outlines the more intense and formal support that will be used when informal measures have been tried without success.

We will work with Bradford Local Authority and other local agencies in a joint fashion to share data on individual cases where it is of benefit to the pupil (e.g. health services where there are medical conditions).

We will have termly targeted support meetings with the local authority's attendance team to work together on the support that is needed for persistently and severely absent pupils. We will also share information from our registers with the local authority in order to support this.

In their 2022 report, 'Securing Good Attendance and Tackling Persistent Absence', Ofsted advise schools to take an approach where they, 'listen, understand, empathise and support – but do not tolerate'.

This means that where a pupil's attendance is an ongoing concern, we will work with families and make referrals to external agencies to secure support in removing barriers to attendance and establishing strong attendance routines.

When implementing more formal support, we will follow the staged intervention approach which is recommended by Bradford Local Authority. Further details of this can be found here:

<https://bso.bradford.gov.uk/content/education-safeguarding/attendance/poor-attendance-interventions>

These formal routes are a last resort once more informal support has been exhausted, however, we feel it is important to be open with parents in stating that we will not shy away from using them where necessary in order to help every pupil access their education.

APPENDIX ONE: APPLICATION FOR LEAVE OF ABSENCE FROM BAILDON CHURCH OF ENGLAND PRIMARY SCHOOL

Date of Request:

Pupils attend school for a maximum of 190 days each academic year. Full attendance is vital for your child's educational progress. Bradford Council expects all parents/guardians to ensure that their children attend school regularly. Absences due to holidays, taken during term time can seriously impact on a pupil's academic attainment. Bradford Council's policy is to only grant leave of absence in the most exceptional circumstances. If permission is given for leave of absence the Headteacher will determine the number of days of authorised absence.

Taking 'Leave of Absence' without the school's permission could result in you being issued with a Penalty Notice fine of £60. Penalty Notices are issued, per parent per child. Where permission has been given for 'Leave of Absence', if you fail to return your child within 10 school days of the agreed return date, your child may be removed from the school roll.

If you wish to apply for your child to be absent from school, please complete this form and return it to school at least two weeks before the intended departure.

APPENDIX THREE: BAILDON CHURCH OF ENGLAND PRIMARY SCHOOL ABSCONDING PROCEDURES

At Baildon Church of England Primary School, we actively work to provide a secure, safe environment where children want to come to enjoy learning with others as part of a caring community.

Role and Responsibilities

- a) The Head Teacher and Designated Safeguarding Lead are responsible for all decisions made when a child absconds from school.
- b) All staff are responsible for caring for the child (until the child leaves the premises). They will be responsible for seeking additional help if this is felt necessary.
- c) Parents/carers of pupils are responsible for supporting the work of the school. They are responsible for encouraging their children to keep to all school procedures and policies.
- d) Once school has informed parents that their child has absconded, parents and carers are responsible for actively supporting the school with the subsequent procedures and actions. This could include coming to school to help secure the safety of the child or working with the school to agree subsequent actions.

Where a pupil attempts or is seen to be leaving the school premises without authorisation, the following procedures must be followed:

1. Staff will follow the pupil to the perimeter fence or gate and try to persuade the student to stay in school. De-escalation techniques will be attempted in order to support the pupil in returning to school. In such stressful circumstances it is important that staff remain as calm as possible and follow procedures.
2. If a student is deemed to be a high risk to themselves or other people then staff may need to physically intervene by adhering to the Positive Handling Strategies.
3. Staff must be aware that active pursuit may encourage the student to leave the immediate vicinity of the school and may also cause the pupil to panic, possibly putting them at risk (e.g. running into a busy road). Where they are not in danger, this means that it may be more appropriate to monitor the student from a distance.
4. If the student has left the immediate vicinity of the school, the Head Teacher/ Designated Safeguarding Lead must be contacted immediately so they can act as the lead person in directing the course of action. This may include the member of staff collecting a pupil specific 'grab bag' which contains first aid resources, pupil's contact details, school phone etc.
5. Staff will follow the student and engage in a local search, following the student at a safe distance if in view.
6. The lead member of staff may direct additional staff to join the search in a vehicle, taking a mobile phone to maintain communication with school.
7. If the searching staff lose sight of, or are concerned for the safety of the student or themselves, they must contact the school office giving current details of their location and a description of the pupil.
8. A member of staff must then contact the Police and the pupil's parents/carers immediately. These phone calls should be made concurrently.
9. If the pupil has left the immediate vicinity of the school grounds and are no longer visible then the lead member of staff will make a decision as to how to take matters further. This will take into account the age of the student, the prevailing weather conditions, the nature of the incident which led to the pupil absconding, the pupil's previous history of being involved in episodes of absconding and their outcomes.

Following an incident of this type, an Individual Pupil Risk Assessment (IPRA) will be put in place by the Designated Safeguarding Lead and/or SENDCO to support the child. This will be agreed with parents and shared with staff with the intention of reducing risk of reoccurrence. This may include the creation of a pupil specific 'grab bag' which contains first aid resources, pupil's contact details, school phone etc, if it is felt there is a chance of the chi
